

The diagram illustrates a medical device, possibly a laparoscopic system, with various components labeled with reference numerals. The system includes a control console (3) and (5) with a monitor (6) and various buttons. A long, flexible tube (7) with a handle (1) and a distal tip (17) is connected to the console. The handle (1) features a trigger (24) and several control knobs (21, 22, 23). A separate component (33a) is connected to the system via a tube (9). The distal tip (17) is shown positioned over a rectangular tray (34, 35).
